### **Miller/Wenhold Announces Major Transportation Merger**

**December 1, 2010**—Miller/Wenhold Capitol Strategies, LLC announced today that it has merged with CAPITAL PARTNERSHIPS (VA), Inc., combining two of the fastest growing public policy firms in Northern Virginia. The firm will operate under the Miller/Wenhold Capitol Strategies, LLC banner.

“This is an exciting time for our firm,” stated Paul A. Miller, Chairman, Miller/Wenhold Capitol Strategies, LLC. “With the addition of CAPITAL PARTNERSHIPS (VA), Inc. to Miller/Wenhold, we add nationally respected and knowledgeable transportation experts to our expanding policy practice groups,” added Miller.

The merger signals the beginning of an aggressive growth plan for Miller/Wenhold as it continues to be a leader in the public affairs arena. The expanded Miller/Wenhold team will continue its bi-partisan approach to public policy, which is essential to solving the needs of its clients at a time when it has never been more difficult to navigate the legislative and regulatory waters of Washington.

“The combined expertise our firm offers provides clients with a stronger strategic advantage in Washington. This merger makes us an attractive ‘mandatory first stop’ for potential clients who are facing complex problems that can be solved through the legislative or regulatory processes,” said Ken Butler, Partner, Miller/Wenhold Capitol Strategies. Ken founded CAPITAL PARTNERSHIPS (VA), Inc., in 1987 after an extensive career in the public sector.

Miller/Wenhold Capitol Strategies will continue its style of client attention that has been at the heart of its success. “This merger will continue and enhance the boutique quality attention to our clients with the added benefit of a broader ranging policy team,” said Dave Wenhold, President, Miller/Wenhold Capitol Strategies, LLC. “This merger brings two of the best client focused firms together under one name,” added Wenhold.
